God will give you opportunities but they may come with challenges. God is waiting to see if you will step up and seize them!

Starting two new worship centers has been exciting opportunities to expand the Kingdom of God. For Trinity@Bukit Batok, the first service was so full that we had to turn people away. The momentum accelerated and we quickly increased manpower and ironed out operational issues in order to multiply our services. Once we got the green light to start Trinity@Jakarta, we immediately sent teams to support the ministry there. The hunger for God is so strong in that city. Though it's only been the third meeting, we are already considering new venues so that more people can experience the transforming power of God.

The Lord is doing great things through this house, giving us many occasions to do extraordinary things. The question is whether we will step up to the challenge. When God called Gideon to lead His army, Gideon hesitated. After all, his people's clan was the least significant and he was the youngest of his family. But God's response was this: "I will be with you." (Judges 6:16) This promise of presence was the fuel that propelled Gideon to lead Israel's army to victory. Like Gideon, you don't have to be socially prominent or combat-ready to take on challenges – all you need is courage to seize every God-given opportunity. Go forward with confidence. The victory is yours because God is with you!
