

# Unified In Praise

**Intro:** A C#m A C#m

## Verse 1

A E  
Search our hearts Lord once again  
A B  
Show us right, the wrong to change  
A E  
To be your truth, your voice of love

To build this church, the heart of  
Christ

## Verse 2:

Move in us Lord once again  
Let our words be yours today  
Stir within us, a love so strong  
The love that Jesus showed for us

## Pre-chorus:

A C#m  
Let our hearts now burn as a flame  
A  
Burn as one fire  
B  
Unified in your praise  
A C#m  
Let our hearts now burn as a flame  
B  
A mighty army  
B  
Singing by your name

**Chorus:**

A E  
Tear down the walls we've made  
A B C#m  
In their place we will stand  
A C#m  
Break all our chains open the gates  
F#m B  
Unified we praise  
A E  
Come make us new again  
A B C#m  
Help us come clean today  
A C#m  
Let your light shine through us  
B  
The life we live  
A  
(As a church we arise)

**Verse 3:**

A E  
Make me new Lord once again  
A B  
To be your image a light to man  
A C#m

Less of me and more of you

Unified we run as the voice of our
