

God Centred, Life Transforming, Culturally Relevant

Interested to gain an in-depth understanding of the Bible? Eager to be rooted in the foundational doctrines of our faith? Wanting to pick up key skills to be more effective in ministry?

If so, then TCA College is for you! TCA College offers an undergraduate certificate and a graduate diploma programme in Theology to cater to believers wanting to deepen their faith. These programmes are specially designed for believers seeking preparation for lay

ministry or simply to assist them in their personal spiritual formation. Both these programmes can be completed in one-year on a full-time basis but can also be taken part-time, as and when your schedule permits. Furthermore, credits earned in these programmes can be applied toward a degree if you wish to continue. Thus, they serve as “trial programmes” for believers who may be wondering if they are suited for a Bachelor or Master programme in theology.
