

# Real Life Miracles

Now in  
a book!

Inspired by the Real Life Miracles you read about in the *Trinitarian* magazine? The amazing testimonies have now been compiled into a book as a collection of stories. Trinitarians tell us how they are using the book to encourage and bless their loved ones and friends, and seeing miracles happen in the process.

We gave away the booklets during the Island-wide Christmas Party, one of which was to my aunt. One month later, she was diagnosed with diabetes and high blood pressure. She became very depressed. Some cell members and I visited her and she told us that she had read the entire book during the crisis and asked if the stories were real. **It gave us a chance to share God's love with her, and both she and her husband accepted Jesus Christ as their Lord and Saviour!**

This is a very encouraging booklet. I took 40 to bless my friends! My friends said that it is very good. It is a blessing especially in difficult times. **We have to share these miracles and pass them on – So that people can themselves have a miracle!**

**Grace Tan**, businesswoman

An excellent gift! It is a good conversation piece as it allows my friends to know of great testimonies!

As the booklet was launched last December, it became an appropriate and timely Christmas gift for me to use it as. It helped break the ice to share the love of God and the hope He brings amidst today's gloom and uncertainty. It also warmed my heart and encouraged me to persevere in times of challenges and difficulties.

My friend found the testimonies amazing. It helped create an opportunity to share about Jesus.

The testimonies are not only engaging and powerful; they show that God is a personal God who is interested in every aspect of our lives. He is a prayer-answering God!

I use it during cell meetings whenever there are first-time visitors, bring the booklets to the office to share with colleagues, and distribute them to my friends and neighbours who are going through difficult situations. It is a good way to introduce Jesus!

This has been instrumental in helping Trinitarians like myself feel a greater sense of belonging to the church; it makes me proud to be a Trinitarian knowing that there are miracles in our midst. It is also a handy tool to invite and bring others to experience God in Trinity.

I sent them out with Christmas gifts and Chinese New Year hampers. They were a perfect complement!

**Evelyn Loh**, *homemaker*  
South, Trinity@Adam

The book has indeed helped to increase my faith. I passed the Chinese booklet to my mum.

**Karen Ong**, *customer service manager*  
East, Trinity@Adam

It reminds me that God is good. He never sleeps and never slumbers!
